SUMMARY

Motivated B.Tech Computer Science student with a strong foundation in programming logic and problem-solving. Disciplined learner with beginner-level proficiency in Python and SQL, currently focusing on Artificial Intelligence and software development. Committed to applying academic knowledge to real-world projects through an internship to contribute to organizational goals while enhancing technical expertise.

EDUCATION

- **IILM University** Greater Noida, India
Bachelor of Technology — Computer Science *May 2024 – Present*
 - **Academic Performance:** 1st Semester: 8.55 — 2nd Semester: 8.5

EXPERIENCE

- **Undergraduate Researcher** Greater Noida, India
IILM University *2024 – Present*
 - **Programming Focus:** Currently building strong programming logic and problem-solving skills using Python.
 - **Practical Development:** Actively developing console-based applications and data management scripts.
 - **Continuous Learning:** Engaging in Artificial Intelligence and Cloud Computing learning for industry readiness.
 - **Discipline and Growth Mindset:** Consistently applying academic concepts to practical coding exercises.
 - **Cloud Computing:** Studying SaaS, PaaS, and IaaS architectures through NPTEL.

SKILLS

- **Technical:** Python, SQL, HTML, CSS, Cloud Computing
- **Core CS:** Data Structures, Object Oriented Programming (Basics)
- **Tools:** Git, GitHub, VS Code, Jupyter Notebook
- **Soft Skills:** Problem Solving, Team Collaboration, Disciplined Learning, Decision Making, Relationship Building, Confidentiality Understanding

ADDITIONAL INFORMATION

- **Discipline:** Maintain a consistent daily fitness and strength training routine, fostering a growth mindset.
- **Tech Interests:** Actively follow Generative AI, Large Language Models, and Cloud Computing.
- **Availability:** Ready to relocate for internship opportunities.

HOBBIES AND INTERESTS

- **Competitive Sports:** Active Volleyball player, focusing on teamwork, strategy and quick decision-making.
- **Physical Fitness:** Dedicated to consistent strength training and long-term goal setting.
- **Open Source Learning:** Explore GitHub repositories to stay updated with modern coding practices.
